The International Scientific Committee's Selected Posters

If your poster was selected as an ISC Abstract Selected Poster, it is eligible for the ICO2010 Poster Prize and you will be able to display your poster from Sunday 11th at 16.00. It should be displayed during the entire Congress to allow delegates sufficient time to vote for the best Poster in each track. Below are the selected posters for each Track.

Abstract Selected Posters

- Track 1: Posters T1:PO.01 to T1:PO.46
- Track 2: Posters T2:PO.01 to T2:PO.31
- Track 3: Posters T3:PO.01 to T3:PO.21
- Track 4: Posters T4:PO.01 to T4:PO.43
- Track 5: Posters T5:PO.01 to T5:PO.32

Call4Posters® Printing Service

IASO will provide the Call4Posters® service to all poster presenters. Call4Posters® is an online service that offers you the opportunity to create a professional poster quickly and easily and enjoy the convenience of having your poster delivered onsite at the Congress Venue. This service will be available from May 24th via the [Congress Website](#). Posters can be collected onsite from the bag distribution desk in the registration area.

POSTER TIPS & INFORMATION

- Posters will be displayed according to Track in numerical order. If you do not know your poster number, please contact the poster desk. **Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session.**
- Posters MUST be attached to the poster boards using the materials provided by the Venue.
- Poster boards will be **PORTRAIT** (do NOT prepare a landscape poster). The poster board surface area is **97 cm (wide) x 197 cm (high)**. Your poster should not exceed the size of the poster board.
- The material must be readable from a distance of three feet or more. Make all print dark using a block style on a light, preferably white, background. Please do not use a dark-coloured background. All material should have a matt finish, not shiny or glossy, to improve legibility.
- It is recommended that you provide the viewer (by numbers, letters, or arrows) a preferred sequence that should be followed in studying your poster.
- Your poster should be self-explanatory so that you are free to supplement the information and discuss particular points by inquiry during the poster session. The poster session potentially provides a more intimate forum for informal discussion than the regular presentations, but this becomes more difficult if you are obliged to devote most of your time to merely explaining your poster to a succession of visitors.
- Please include contact details on your poster (or distribute business cards) in case someone requires additional information.
- The use of the ICO2010 or IASO logos is not permitted. Personal or professional advertising in the poster sessions is also strictly prohibited. Do not write or paint on the poster boards themselves

Please note that the organisers are not responsible for posters. If you wish to keep your poster, it must be collected no later than 16.00 hrs on the day of your poster session.

If you have any questions concerning your poster presentation, please contact us as at ico2010@iaso.org

ICO2010 BEST POSTER PRIZE

The prize for the best poster in each scientific track will be awarded at the closing ceremony of ICO2010 on Thursday July 15 at 14.45.

The top ranked posters from abstract review have been selected by the International Scientific Committee (ISC). Only these posters, which will be clearly marked, are eligible for the ICO2010 Poster Prize. At ICO2010, the poster prizes will be awarded by poster referendum. All congress delegates will be invited to attend the poster sessions and vote for what they regard as the top poster in each track. These votes, plus ISC scoring, will determine the top ranked poster in each track. The ISC decision will be final.

The organisers will award a prize of 500 Euros plus a certificate to the top poster in each track as voted for by Congress delegates. The prizes will be awarded at the closing ceremony and prize winners must attend the closing ceremony to claim their prize.

We encourage you to participate fully in the ICO2010 Poster Sessions. All delegates who vote in the poster referendum will be entered into a prize draw for the chance to win a complimentary registration at a future IASO or regional association event.
