

ICO2010: 11-15 July 2010 Scientific Programme Structure - Wednesday to Thursday View

Wednesday 14 July					Thursday 15 July					
08.30 hrs	T3:PL Bariatric surgery offers a favourable long-term treatment of obesity. A review of current knowledge. (08.30 - 09.15)					T4:PL Relative importance of obesity on mortality in different communities (08.30 - 09.15)				
09.30 hrs	Oral Sessions 09.30 - 10.30					Review Sessions 09.30 - 11.00				
	T1:OS5 Adipocyte prevention	T2:OS5 Human adipose tissue function	T3:OS5 Metabolic consequences of obesity	T4:OS5 Nutrition, diet and appetite	T5:OS5 Social and cultural aspects of obesity	T1:RS5 Adipokines and adipose tissue	T2:RS5 Energy metabolism	T3:RS5 Strategies and pitfalls in obesity treatment	T4:RS5 Hedonics and weight gain	T5:RS5 Combating obesity in the emerging economies
10.30 hrs	Coffee Break/Exhibition					Coffee Break/Exhibition				
11.00 hrs	Review Sessions 11.00 - 12.30					Review Sessions 11.00 - 12.30				
	T1:RS3 Adipocyte fatty acid metabolism	T2:RS3 Relevance of fat in different tissues	T3:RS3 Metabolic complications of obesity	T4:RS3 Can one predict weight gain before it occurs?	T5:RS3 Food environment (producers/retailers/manufacturers)	Plenary Lecture Karolinska Institutet 200 Year Jubilee (11.30 - 12.15)				
12.30 hrs	Lunch and Exhibition (12.30 - 14.00)		Poster Sessions (13.00 - 14.00)		ECOG - WHO Meeting	Lunch and Exhibition (12.15 - 13.45)			Specialist Certification of Obesity Professional Education (SCOPE) (12.45 - 13.45)	
14.00 hrs	Review Sessions 14.00 - 15.30					Hot Topic Oral Session 13.45 - 14.45				
	T1:RS4 Fat cell dynamics	T2:RS4 Immunology and obesity	T3:RS4 Mechanisms of action of bariatric surgery	T4:RS4 Diet and lifestyle	T5:RS4 Active environments	HT:OS1 - Hot Topic Oral Session (4 lectures)				
	Coffee Break/Exhibition					Coffee Break/Exhibition				
16.00 hrs	Plenary Lecture 16.00 - 16.45					Plenary Lecture 16.00 - 16.45				
	T5: PL Mind the gap: Policy options to tackle inequality that drives obesity					Closing Ceremony including Willendorf Plenary Award Lecture (14.45 - 16.00)				
17.00 hrs	Symposium 17.00 - 18.30					Symposium 17.00 - 18.30				
	Symposium: The Scout Trial			Seminar Neural and intestinal origins of eating and insulin resistance		Symposium: The Scout Trial				
18.30 hrs										
20.00 hrs	Social Programme Stockholm City Hall Reception (19.00 - 21.00)					Social Programme Stockholm City Hall Reception (19.00 - 21.00)				

Registration
